

Asit Parikh, MD, Ph.D

Head of GI Therapeutic Area Unit,
Takeda Pharmaceuticals

Asit Parikh, M.D. Ph.D., is currently the Sr. VP and Head of GI Therapeutic Area at Takeda Pharmaceuticals. Dr. Parikh earned his Ph.D in Biochemistry and MD degrees from Vanderbilt University, completed internal medicine residency at the University of Pennsylvania, and subspecialty training in gastroenterology at the Massachusetts General Hospital, with postdoctoral work in Cancer Biology at MIT. He also remains actively engaged in the practice of gastroenterology and internal medicine as a part-time coverage staff physician at Newton-Wellesley Hospital.
